First reading of an ordinance amending the number of medical marijuana licenses that may be issued within the corporate City limits, and setting a hearing date for consideration of said ordinance. Councilmember Miles noted for the record that nothing prevents Council from changing their minds in the future regarding this ordinance. She exemplified that they will consider all of the applications and out of 15, ten get licensed. Then of those ten, only three open their doors. Council could then re-visit this ordinance in the future. City Attorney Downs further clarified that these applicants have a year to enact their conditional use permit after they get their conditional use permit. The ordinance was introduced by Councilmember Bolton and then read aloud in its entirety. Councilmember Miles said she spend a lot of time on this issue, from the first come, first served to the lottery, and asked if she could also introduce the ordinance. A motion to approve the ordinance on first reading and consider it further at a public hearing at 1:30 p.m. on April 22, 2014 was made by Councilmember Fletcher. The motion was seconded by Councilmember Torres and carried ~~unanimously upon roll call vote~~ by majority with all Councilmembers voting aye with the exception of Councilmember Bonato who cast a dissenting vote.
